

Project KIKS

Mesa Arizona The COVID-19 Prevention Activity

- *Awareness***
- *Outreach***
- *Education***
- *Distribution***
- *Homeless Community***
- *Senior Citizens***

This model was developed by Project KIKS during the Ebola Outbreak, September 2014, and successfully implemented throughout 16 Communities in Monrovia, Liberia West Africa, by Sekou Dukuly and a group of dedicated volunteers.
