"Shoe the Children
Without Shoes
On Their Feet"

BREAKING NEWS

Project KIKS, Inc. launches Project KISS, a Kind Initiative for Seniors Shoes

Project a **Kind Initiative for Kids Shoes** (Project KIKS), with the assistance of Jeni Olsen, Teens Connect, Thelma Taylor and Toby Tayeh, JJ's Fish and Chicken, successfully completed their first shoe distribution for Project "KISS," a **Kind Initiative for Seniors Shoes** at the California Veterans Home at Yountville, on Saturday, April 7, 2018. Project KISS donated & delivered new athletic (walking) shoes and socks to our retired veteran women, spouses of veterans, and widows of veterans, residing at the home. Each one of these ladies is a "National Treasure" in her own right and each possess an historic tale to tell. They are among the most renowned American women alive today, many in their 70s, 80s & 90s. They deserve our love, honor and respect.

Special Thanks to Susan Kay, Gwen Robinson, Volunteer Service for their support and assistance. Thanks to Payless Shoe Stores in Napa, Pinole and East Oakland for their logistical support and discounts; and Target, Napa, for the donation of women socks.

This activity was made possible by a grant from the Solano Community Foundation's, Napa Valley Fire Relief and Recovery Program. Fairfield, California.
