MISSION COMPLETED! SUCCESSFULLY!!

The San Francisco University High School, Harmony Club Members, known as "Student Diplomats", returned from a triumphant 10 day Travel, Study, Educational, Cultural Enrichment Exchange & Community Service Program, to Monrovia, Liberia, West Africa. As part of an independent study, student Rohan Hartigan, with help from his advisor and Physics teacher, Tim Sanders, launched the program in the Fall, 2022. On December 27, 2022, a group of 5 fifteen year old young men, Rohan Hartigan, Liam Gilligan, Sabin Verplaetse, Sully Spivy, John Michael Mulcahy, and parent chaperones Peter and Vanessa Hartigan & Chris Verplaetse. The group was immersed into all aspects of Liberian history and culture.
