Abraham Jagba,
Teacher & Principal

Hi, my name is Abraham Jagba, a teacher by profession. I am the Country Director in Ghana for Project KIKS. I have acquired my professional certificate with Jackson College of Education affiliated with the University of Education, Winneba, Ghana, where I was awarded a Diploma in Basic Education in 2016 and was posted as a professional teacher to Tantala. Fast forward, I furthered my

education to upgrade myself to a degree holder with the University of Professional Studies (UDS). Currently, in the education field, I'm a Principal Superintendent (PS) as my rank and therefore have an intention of starting up a pre and primary school in Tamale, where I am a teacher at one nearby community named Kadua under Nanton District.

In loving memory of:
Paul Cheatham Sr. (1913 - 1982) Los Angeles, CA

GOAL: \$7,500

Greetings, I am Paul Cheatham II, Founder of Project KIKS. On May 2, 2022, I purchased one acre of land in the Township of Tamale, Northern Ghana, where Abraham is currently teaching at the Kadua Elementary School. Our goal is to establish an academy and residence. Abraham began clearing the land and constructing the foundation in the Fall of 2024. Our building is near completion, and we are raising funds to complete the project. Following is what is needed to finish the school:

- *Wall Plastering
- *Cement Flooring
- *Plumbing Installation
- *Electrical Wiring
- *500 Gallon Potable Water Tank
